 <p>Caption First Incorporated</p>	<p>www.captionfirst.com</p>	<p>For over 30 years, Caption First's mission has been to serve individuals and organizations by providing high-quality communication access, converting the spoken word into the written word, any time and anywhere. We believe that our human captioners paired with technology can transform a perceived disability into ability and it starts with accessibility. It is a basic right to have access to information, communications, knowledge, and shared human experiences. Being Deaf, hard of hearing, or not sharing a common language should not be a barrier to excellence. Our technology can bridge these barriers, misperceptions, and stigma by creating an atmosphere to thrive.</p>	<p>National and International</p>	<p>Patricia Graves</p>	<p>Pat.graves@captionfirst.com</p>

 <p>CW&A (Connell Wise & Associates)</p>	<p>www.wise-associates.com</p>	<p>We are an International Award-winning social impact advisory firm focused on equitable economic development. That unlocks the full potential of the local economy by dismantling barriers and expanding opportunities for low-income people and underrepresented communities. Our team consists of thought leaders, as well as rising experts, who bring together disciplines from a variety of fields in political science/policy, international business, public relations, and impact business.</p> <p>We provide Small Business Back Office Support, Bookkeeping, Business Coaching, Government Affairs, and Design. services.  <p>Versatile Interpreting Services LLC</p>	<p>www.visterps.com</p>	<p>You should use us because we are Deaf-owned. But not out of some formula or quota but we understand the nuance involved better than anyone else. We are focused on quality of interoperation together with customer satisfaction. Providing access to deaf and hard of hearing people is not a one size fits all deal. We also have the broad community contacts that many locally-based hearing owned companies simply could never keep up with. The internet and technology in general have been a game changer in this industry; one big result is empowerment of deaf and hard of hearing users. We take a lot of pride in our "nimbleness," our adaptability to the rapidly changing time.</p>	<p>Mostly in Wisconsin and Illinois but we also service nationwide.</p>	<p>Michael Maffucci</p>	<p>michael@versatileinterpreting.com</p>
 <p>Wise Owl Productions LLC, MOD Voiceover</p>	<p>www.modvoiceover.com</p>	<p>How can I help as a Voice Actor? By voicing your corporate narration, eLearning, podcast, announcing (live & virtual), and other internal or broadcast projects. I am available for long-term projects and retainers.</p> <p>I was a stage actor/director for a Midwest regional children's theater from 1989-1996. I then completed graduate school and served as a Leadership Development and Instructional Design practitioner for 23 years.</p> <p>Today I blend my love for the arts & smarts and have trained extensively as a fulltime voiceover artist - my third, final, and most thrilling career. I have been selected to voice hundreds of corporate narration, documentary, eLearning, TV, Radio, and narration projects.</p> <p>I have an extra-special passion for LGBTQ+ and social justice projects. My business, Wise Owl Productions LLC, is a nationally certified LGBT Business Enterprise (via NGLCC) and a nationally certified Disability-Owned Business Enterprise (via Disability: IN.)</p>	<p>Globally via my broadcast-ready home audio studio. Also available for in-studio recording in Wisconsin and Northern Illinois.</p>	<p>Aimee Gironimi</p>	<p>aimee@modvoiceover.com</p>
